

Building Our Legacy Brick by Brick

The Cordova Park Elementary PTA is helping build our legacy by selling personalized, engraved bricks that will be permanently set into the ground at the front of the school for all to see!

The net proceeds from the sale of the bricks will be used to pay for landscape improvements to the school, including an irrigation system, sod, trees and a new sign. Not only do you get your name in stone, but you will become a permanent part of beautifying the campus when you purchase a brick.

The legacy bricks will be an ongoing campaign to raise funds to support Cordova Park Elementary projects and your donation is TAX DEDUCTIBLE.

There are two options for bricks:

4x8 brick is \$100 and can include up to 3 lines of text and up to 18 characters per line

8x8 brick is \$225 and can include up to 6 lines of text and up to 18 characters per line

For each brick ordered, you may order an optional donor brick. Donor bricks are exact duplicate bricks (full size replicas) of the installed brick and come with felt backing and a brick stand for display (\$25 for 4x4 or \$35 for 8x8)
